gocrimson.com.

FEB. 18, 2014

THE SPACE OF AUTONOMY: CYBERSPACE AND URBAN SPACE IN NETWORKED SOCIAL MOVEMENTS

Piper Auditorium Gund Hall

48 Quincy St., Cambridge, 6:30pm

Manuel Castells, University Professor and

Wallis Annenberg Chair in Communication

Technology and Society, University of Southern

California, Los Angeles, will speak on a

theme related to his recent book *Networks*

of Outrage and Hope; Social Movements in

the Internet Age (Polity Press), with further

elaboration in relation to the recent move-

ments in Brazil and Turkey. The lecture is free

and open to the public. For more information,

call 617-496-2414.

Stay in the loop about upcoming Harvard events. Sign up for our monthly e-newsletter e-Connect by emailing community@harvard.edu.

FEB. 19, 2014

GREAT SHAKES! AT THE A.R.T.

Loeb Drama Center

65 Brattle St., Cambridge, 9-10:30am

A fun and physical Acting Shakespeare class for young performers. It's a one-day intensive

class, free and open to anyone between the ages of 12 and 16 interested in learning how

to act in some of the greatest plays ever written! The class is an introduction to Acting

Shakespeare, using passages from *The Tempest*

and physical exercises to teach students about

Shakespeare's use of language,

rhythm and verse. To register, visit americanrepertorytheater.org/communityclasses.

americanrepertorytheater.org/communityclasses.

FEB. 19, 2014

MAGIC 101 AT THE A.R.T.

Loeb Drama Center

65 Brattle St., Cambridge, 11:30am-1pm

Come one, come all to this free introductory

course to the world of Stage Magic, led by

stage magician and A.R.T. Institute graduate

actor Ped Naseri. Students will learn how to

amaze their friends and family with simple

sleight-of-hand and prop-based illusions, so

long as they swear never to reveal the magi-

cian's secret! The class will incorporate text

from *The Tempest* in the development of a

special magic routine taught to the students.

To register, visit americanrepertorytheater.org/communityclasses.

americanrepertorytheater.org/communityclasses.

FEB. 22, 2014

EXPLORING SCIENCE TOGETHER: THE ICE AGE

Harvard Museum of Natural History

26 Oxford St., Cambridge, 10:30am-noon

Investigate the Ice Age with the new HMNH

family program! Learn together with hands-

on glacier demonstrations and activities,

as well as real geologic clues about New

England's icy past. Step into the world of ice

age man by creating your own Paleolithic

cave art. All activities are designed to be a fun

and interactive experience for elementary

age students and their families to participate

in together. Fees per person: \$10 members /

\$15 nonmembers including admission to the

museum. To register, visit hmn.harvard.edu.

hmn.harvard.edu.

THROUGH MARCH, 2014

FREE ICE SKATING

The Plaza adjacent to Harvard Yard and the Science Center

1 Oxford St., Cambridge, noon-9pm

Harvard Skate is back at the newly renovated

plaza and it is bigger

and better than ever

with a larger rink

and extended hours

of operation. Open

seven days per week

(weather permit-

ting) noon-9pm, now

through mid-March.
